Installation

On a Mac:

Simply drag the **Safari Sketch** icon to any folder on your hard disk. Once it has finished copying, installation is complete.

If you decide to remove it, drag the **Safari Sketch** icon to the Trash.

On a PC:

Double click the "safarisketchpc.exe" icon. Follow the on-screen instructions to complete the install process. Double-click on the Safari Sketch icon and enjoy.

If you decide to remove it, go to your control panels. Double-click on add/remove software. Click on Safari Sketch and uninstall using Windows Uninstall Wizard. Follow onscreen instructions.

Registration

Upon completion of your purchase of this game, you should receive a license code. you will need to enter this information into the registration dialog, and then click "OK" button.

This game can be registered by clicking on the "Buy Now" button in the trial dialog, or by visiting <http://www.redrovergames.com/allgames.html>

About Red Rover Games

Red Rover Games is a casual games company based in southern california. We strive to provide relaxing, fun and addicting gaming to gamers and non- gamers alike. Our games are easy to pick-up and play by anyone familiar with a keyboard and mouse, but can be challenging enough to keep the most experienced gamers on their toes. We strive to develop creative and innovative games to provide the best quality gaming experience for all.
